SOFT WINE COCKTAIL
WITH VITAMIN C AND MINERALS

ALGOD ROSÉ

Ingredients: Wine, grape juice, citric acid, sodium chloride, calcium phosphate, Vitamin C and flavorings.

Alcohol graduation: 5.5%

Vitamin C: 15% Percent Daily Value considered as Antioxidant product.

Minerals: Sodium chloride and Calcium phosphate with Moisturizing properties.

Tasting notes: Algod Rosé is elaborated with Tempranillo grape variety which is a particularly elegant grape variety with complex white floral aromas and balsamic herbal notes.

Fresh, sweet, vibrant and lively with great balance and funny long finish with flavours of strawberry bubblegum and citric notes of orange and lemon. Without complex, bold and really funny.
